Hi Trailsweepers,

We held a very productive planning meeting on May 22nd, with approximately 25 members in attendance. We identified many new and old activities for possible addition to the calendar. A big thank you to Carol and Jim Tomassetti for hosting the planning meeting and to all who brought the delicious food.

With so many great ideas brought forward, I will be putting together a survey to try to gauge the interest of each activity. It will be an easy and simple form whereby you will just need to click a 'yes' or 'no' on the activities that you would be interested in. Then as long as we have a group leader for the activity, it would then be sanctioned and added formally to our calendar. If there is no designated leader and you would be interested in running the activity, please let me know. We hopefully have some new ideas that will bring out members that we have not seen in a while or possible new members. The form will be sent in an email, so please take the time to look at the form and respond.

A big congratulations goes out to our member, Karen Spinozzi !!!! Karen was named as one of the Volunteers of the Year with the Onteora Runner's Club. Well done Karen !!!!

As we all know, these type of clubs, including our Trailsweepers Club, cannot run without the time and efforts of their volunteers. We hope that with the addition of some new activities, along with our usual ones, that we will see some members, who haven't previously been involved, consider either running or even just helping out with an activity.

Coming up for the month of June is our June 3rd Kayak trip to the Great Swamp and the Almost Summer Bash on June 9th. We will only have one meeting in June and that will be on the 26th. Please plan on attending.

BTW.....We need a new Hiking Chairperson.....!!!!!!

Looking forward to seeing you all this summer !!
